## Message from the Principal

Dear Parents/Carers

It is hoped that you are pleased with the content and quality of the information in your child's report and with the information received at the parent teacher interviews. If you would like to provide feedback, it will be appreciated as it assists us in meeting the needs of our families as well as our students.

## Education Week

*Celebrating Local Heroes*

**Wednesday 29 July 2015**

**10.30am – 12.00pm**

As a special school we are privileged to witness the good, the generosity, care and compassion in many people. It is fitting that our theme this year for Education Week is celebrating local heroes. It provides the opportunity to acknowledge the work of the heroes amongst us.

You will have received a request to send in a photo of a sibling or a family member, relative or friend who is a hero in your family.

We hope that you can join us for our celebration.

## Siblings Workshop

The notion of a siblings workshop was raised by one parent who wanted her other child to experience learning with the sibling with a disability.

The drumming workshop emerged and we have been overwhelmed by the positive response from families with an 80% participation response.

We are looking forward to the session on Wednesday afternoon.

## Kids Matter Survey

Thank you to the families who have returned the survey or completed the survey online. The feedback will assist us in gathering baseline data before implementation of the Mind Matters strategy as a whole school initiative. I have attached the survey again just in case it was lost or damaged.

It is completely anonymous.

The link to the online survey is:

## Kidsflix Entertainment Quarter

Hoyts Cinema – Entertainment Quarter  
Bent Street, Moore Park

Arthritis & Osteoporosis NSW is hosting a Kidsflix event in your area on **Saturday 25 July 2015**. Kidsflix is a **free** event for children and young people living with a chronic illness, disability or in a disadvantaged situation and their family.

The morning consists of children's entertainment including face painting, clowns and balloon twisting from 9.00am-10.00am followed by the movie *Minions*, with each person attending provided with a drink and popcorn to complete their movie experience. The best part is that it is all free. The invited child's immediate family (ie siblings, parents, carers) are also part of the experience at no cost.

*"Kidsflix is so special to us for a number of reasons. My little boy loves the excitement of it all. Events such as these allow our daughter to bond more closely with our son; our little girl loses out on part of her childhood because of the extra support my son needs. In some ways, a movie ticket and a bit of free food may not seem like much - they won't change anyone's life. But, at least for my family the benefits go beyond that. The fact that there are people who are willing to make an effort to help us does make our life happier." Mark*

I have enclosed a flyer for you to copy and distribute to families who are part of your organisation. The child who is the beneficiary of the invitation must be 16 years or under and be living with a chronic illness, disability or in a disadvantaged situation. Please note all children must be accompanied by an adult at all times.

All applications for movie tickets must be returned by **Friday 10 July 2015** as stated on the flyer. As numbers are limited it is advisable to respond early to this invitation. Organisations/schools are welcome to respond with a group booking.

Arthritis & Osteoporosis NSW and SA are able to run Kidsflix events thanks to our dedicated contact centre team that approach private residents and local businesses to ask for donations to enable children living with a chronic illness, disability or disadvantaged situation a wonderful day out with their family.

Kidsflix has been successfully operating in South Australia, New South Wales, Western Australia, Tasmania, Queensland and Victoria for many years and we look forward to a happy association with your organisation.

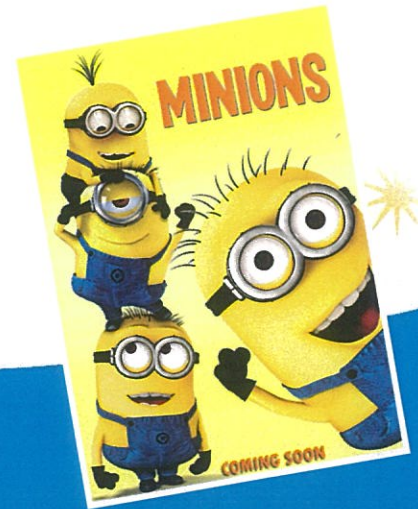

Please feel free to contact me for further information.

## The Beanie Project - Proposal

The South Western Sydney Aboriginal Education unit of NSW DEC implements a Beanie project for Aboriginal students. The theme this year is "The Deadly Beanies".

I would like to suggest this is a project we could get involved with (within school) to embed Aboriginal education into our teaching and learning, and involve our families and community. It also ties in with the term 3 Beanies for Cancer Day we are celebrating. This way we acknowledge and support the important community health concern, and also have an exhibition (on our heads) of wonderful beanies we have made or decorated. I think families might like to get involved, with special prizes for home made beanies.

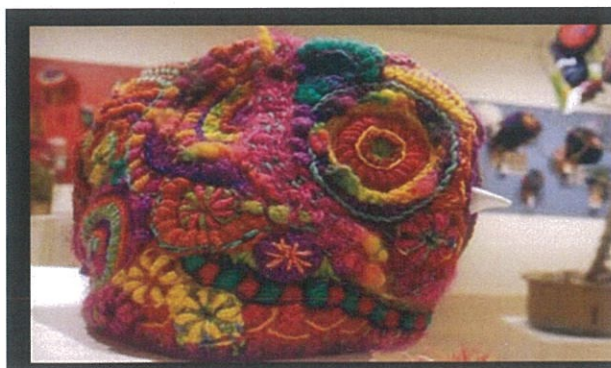

It would look great on our website and face book page too.

The Beanie Festival is held in Alice Springs every year from 19-22nd July. The theme for this years festival is "opposites attract". The Beanie Festival celebrates womens' art and craft making, and empowers Aboriginal and Non aboriginal people to come together to make beanies. Beanie makers are called beanie-ologists.

More information and pictures here: [www.beaniefest.org](http://www.beaniefest.org)

If we give families notice before the holidays, a knitting pattern and some decorating ideas, a theme, we might get some wonderful and creative beanie art works from aspiring beanie-ologists in our families and community.

Class activities might include experimenting with yarns and felts.
