Principal Message

Dear Parents/Carers

Our second term has been a busy one. Teachers are currently finalizing reports which will be sent home in the last week of term or during the parent teacher interviews.

The deadline for parents receiving reports is Tuesday 28 June 2016.

Sibling Workshop

On Wednesday, 8 June, we held an interactive drumming sibling workshop. We had 38 parents, carers and children attending. It was a rich and enjoyable after for everyone.

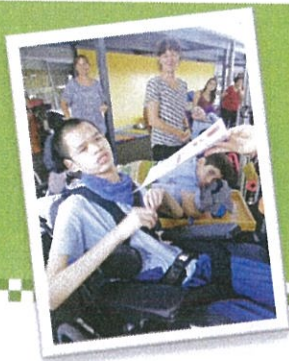

Josh is very skilled in making the workshop interactive with everyone having instruments for participation and also skilled with varying the activities to sustain enjoyment, engagement and to meet the diverse needs of the group.

I would like to thank our parents and carers who provided the opportunity to have a shared learning experience for their children. Special thanks to Josh and the staff who supported the afternoon.

Parent Teacher Interviews

We have had a positive response from families who have set a time for parent teacher interviews. We are coordinating times which will be confirmed by your class teacher.

We hope that most families will take this opportunity to talk about their child's progress and, where indicated, set priorities for next semester.

Staff are donating their time on election day to fundraise for year 12 activities and for the Middle 1's overnight excursion.

Coffee & Chat – Transition from School

Early next term - 29 July 2016

(repeat notice)

This year we have a record number of school leavers. To support the transition process we will have a morning tea on Friday 29 July from 10.00am with former parents of the school.

It is recognised that transition from school is a significant milestone in every child's experience and more so for students with a disability. Our former parents have been through this process with their child. They understand the stresses of making the right choice for their child. The Coffee & Chat will give families the opportunity to ask questions and hear of their experiences.

All parents are welcome to attend.

Are you interested in having your child's hair cut at school?

Jo-Anne Kelly, mother of Ashleigh, has a hairdresser who is very patient and caring. She could come to school on a Wednesday or Friday if families are interested. The cost would be \$15. Please phone the office if you are interested.
